# West Nile Virus and Mosquito Control Dakotas Summit

## LEARNING FROM THE PAST – APPLYING TO THE FUTURE

**Learning:** Seven years of research and fighting West Nile Virus in the Dakotas has given us a wealth knowledge about the disease and *Culex tarsalis* the primary mosquito vector

**Applying:** Attend the 2008 Summit to learn how to apply the knowledge gained to enhance community mosquito control programs and safeguard public health

**FRIDAY, MARCH 28, 2008**

**Aberdeen Arts & Recreation Center  
225 South East Third Ave  
Aberdeen, SD**
